ROTARY FACTOID

BY PAST PRESIDENT TIM CREEDON

(Editor's Note: This week Tim is doing something a wee bit different. Here's a wonderful little story...)

"Everybody Should Try to Have a Grandmother"

By a Third Grader

A grandmother is a lady who has no children of her own. She likes other peoples'. Grandmothers don't have to do anything except be there. "They are old so they shouldn't play hard or run." When they take us for walks they slow down past things like pretty leaves and caterpillars. They never say "Hurry up." Usually Grandmothers are fat but not too fat to tie your shoes. They wear glasses and funny underwear. Grandmothers don't have to be smart, only answer questions like, "Why isn't God married?" and "How come dogs chase cats?" When they read to us, they don't skip or mind if we ask for the same story over again .Everyone should try to have a grandmother, especially if you don't have television, because they are the only grown-ups who have time."

***

Did ya know...Cats have over 100 vocal sounds, dogs? About 10!

Do all the good you can, as long as ever you can...

IT HAPPENED AT PHOENIX ROTARY 100

BY DIMITRI DROBATSCHEWSKY - PHOTOS BY RUTH HOWE

Neatly arranged pairs of children's shoes on every table surprised Rotarians as they arrived at their meeting place in the Heard Museum on Friday, Aug. 8, 2008. The shoes were symbols of the tragic deaths incurred by children who drowned in swimming pools during the past year.

Water Safety was the theme of the meeting, which was opened by **President Roger Marce**, as he wrestled with a reluctant microphone that immediately yielded to the magic fingers of **Ed Phillips**. And, in keeping with the light-hearted spirit of the meeting's opening, **Past President Chuck Emerson** was called to the podium to prove that he, too, remembered the ubiquitous "Four Way Test."

Allen Gjersvig delivered a moving Invocation and led in the Pledge of Allegiance, followed by **John Keeler**, who directed the assembly in "doctored" lyrics of the patriotic Battle Hymn of the Republic. **PP Howard Simon** recognized Guests and Visitors, before **Bob Hoyt** introduced the newest Rotarian, **Richard Zephier**, a former marathon runner. **Past President Dick Eisenach** then proceeded to bestow Paul Harris Presentations on **Bear Thomas, Bob Mills, Dr. Q (Makeeta)** and **Chuck Emerson**, the latter receiving his 7th PH pin and qualifying as "Major Donor."

Sergeant-at-Arms Jon Bauman used a novel approach for his Rooster Fining, getting to his "victims" via "Happy Hamiltons" and singling out **Dale Walters** for his Black Belt distinction, before **President Roger** read Birthday Minutes to **Kristen Lopez, Dennis Rusk, Bob Mills** and **Dr. Steve Thomas**. Finally, acting **Secretary, Brinton Johnson**, substituting for **Lillian Coury**, mentioned in her Sunshine Report that **Bill Williams** had recovered sufficiently to attend this meeting, which brought to the podium Chair of the Day **Bear Thomas**, who introduced our speaker, Phoenix West Rotarian, Staci Glass,, of the Children's Angel Foundation. Announcement was made by **PP/PDG Tim Creedon** requesting caps for children.

The speaker's highly emotional approach to "Water Safety" was not lost on the audience. Staci Glass, who appears to be totally immersed in the importance of her mission to save children from drowning in home pools and any other water hazard, needed only 15 minutes to impart to her audience the urgency of learning – and teaching – about the perils that little children encounter from water, even when it is as little as 2 inches deep, because such dangers often are fatal. "Even one child victimized is one child too many" she repeated and totally convinced the attendance. A brief question and answer period followed her intense speech. The meeting adjourned a few minutes early, at 1:20 PM.
