President of Relocation Resource

Management, said that there is a debate about

whether climate change is caused by greenhouse gas, man-made or natural. However, he claims that the carbon dioxide is multiplied 3x-5x by positive climate feedbacks. He also said that the Earth has warmed 0.7°C over the past forty years which has also been hypothesized by some to occur due to solar output, ocean cycles, and recovery from the Little Ice Age and man's land use. Mr. Meyer gave balanced views of the facts and asserted that the issues demand much more study but that weather changes in reality times have repeated themselves.

### IT HAPPENED AT PHOENIX ROTARY 100

BY PHIL GEIGER, PHOTOS BY RUTH HOWE

In the spirit of the Academy Award Winning "Silent" movie, The Artist, President Jon Bauman, donning

his best French persona and moustache, called the 33rd meeting of the Phoenix Rotary 100 to order in complete silence thanks to his "silent

partner" and cue card girl, **Lori Howard**. Using only his hand gestures and the cue cards, President Jon, playing the role of actor Jean Dujardin, introduced **Ed** 

Muhlenfeld to provide the Invocation, the Pledge of Allegiance, and the singing of the patriotic song, America the Beautiful. Todd Dillard introduced visitors and visiting Rotarians.

Following his "silent segment", President Jon asked that members seriously consider attending the District 5490 conference June 1-3 at the Prescott Resort when our own Past President **Craig Wilson** will be inducted as the new District Governor. President Jon said he was hopeful that we will have 100 Rotarians from Phoenix Rotary 100 present. He also told members that this year's Old Fashioned Breakfast will be held at the home of Karlene.

Past President **Craig Wilson** presented a check to Center Dance Ensemble. **Colleen Jennings Roggensack** presented a check to Junior Achievement. **Ed Muhlenfeld** conducted Rooster Fining on the topic of dogs and the American Kennel Club.

President Jon celebrated the birthdays of **Lisa Coleman**, VP of the Urban Youth Athletic Association and **Bill Quigg**, President of Discovery Learning International and former broadcaster telling his "short story" which was later determined not to be so short.

Secretary **Avein Saaty-Tafoya** announced that there will be a Memorial Service for **Junius Bowman** on March 31st at the First United Methodist Church on North Central Avenue in Phoenix at 10 AM. Avein also extended congratulations but also expressed concern for **John Rothstein** and his wife's baby girl born recently with some medical problems currently being addressed. She asked to keep these two families in your thoughts and prayers.

Past President **Howie Simon** spoke about the upcoming Rotary First meeting Thursday, March 15th. **Steve Goldston** made final arrangements for those taking the Rotary Arizona Trail Hike and **Terry Davidson** asked members to participate in the Rebuilding Together Day on March 31st. Attorney **Jennifer Wright** provided another helpful hint on social media. **Craig Prouty** again requested that members respond to the invitation to nominate members for the three prestigious awards that will be decided very soon. Finally, every member was asked to consider either playing in the annual Bill Bartholomew Golf Classic on Wednesday, April 25th or donate items for the silent auction or sponsoring a part of the event. Proceeds from the Classic will go to the Arizona School for the Arts and to the Club.

Chair of the Day, **Joe Wolfe**, introduced Warren Meyer, Speaker of the Day, regarding climate change. Mr. Meyer,

#### **ROTARY DISTRICT 5490 CONFERENCE**

President Jon has set a goal of "100 from 100": 100 Members of Rotary Club 100 who attend this year's district conference. Please register to attend the Rotary District 5490 Conference, which will take place on Friday, June 1, 2012, through Sunday, June 3, 2012 at the Prescott Resort Conference Center. Additionally, please consider joining us for a cocktail party on Saturday night to celebrate the induction of Phoenix Rotary 100 Member and District Governor-Elect Craig Wilson. For additional information, please visit http://www.rotary5490.org. Thank you.

#### CELL PHONES FOR SOLDIERS PROGRAM

Please participate in Phoenix Rotary 100's Cell Phones for Soldiers Project. The true meaning of a donated cell phone lies not in the metal converted to a 60 minute, prepaid calling card, but in the true value it represents to our military personnel who receive these cards. The selfless act of donating a used cell phone represents the opportunity for them to connect with loved ones and family while serving abroad. Please feel free to drop off your donated cell phones at future Phoenix Rotary 100 meetings. For additional information, please contact Bill Gumbert at 480-945-9521 or at mism@messing-ermortuary.com. Thank you.
